Continuation Forms

It's that time of year again when we begin tackling enrollment for the 2014-2015 school year. In anticipation of this, we need to know our current families' intentions. Last week we sent home a continuation form that notifies MNPS about your intent to return to our school next year. It is very important that we receive this form back from every student REGARDLESS if you intend to return or not. The first grade level to turn in 100% of their forms will receive a pizza party. Contact the school at (615) 352-1253 if you have any questions about the form.

Interested in Football Next Year?

LEAD Academy Middle School 7th and 8th Graders are invited next year to participate in football with West End Middle School. The West End coach will be at LEAD Middle School on Friday, February 7th to talk with current 6th and 7th graders about this opportunity and prepare for the next school year. This will happen during the lunchtime and all 6th and 7th grade students are invited to attend.
