Dates to Remember

March 12th, 5:30-6:45pm
March 12th-17th
March 20th
March 23rd-27th
April 3rd
April 23rd, 5:30-6:45pm

Math Night and Pi Day Celebration!
Interim Assessments
No School For Students
Spring Break, No School
No School
TCAP Fun and Games Night!

Math Night and Pi Day Celebration, Thursday, March 12th, 5:30-6:45pm

"Win the chance to PIE a LEAD Staff Member in the FACE!"

Students (and teachers!) will have an opportunity to show off their pi skills by competing to see who can recite the most digits of pi on Pi Night! The winner for each grade will get an opportunity to pie a teacher or administrator in the face on Pi Night. There will be a pie eating contest, Pi Stations with the opportunity to win Pi prizes, and pizza pie! Students who attend will earn a Pizza Pie lunch + movie on Friday during lunch and R and R. See you there!"

Interim Assessments

All students will take Interim Assessments between March 12th and March 17th. Look for more information from your student's teachers regarding testing days for different subjects. Also, please make sure that your student gets a great night's sleep and healthy food before he or she takes an assessment!

Spring Sports

Spring sports games kick off next week! Look for schedules coming out soon for our soccer and track teams and come on out to cheer on our LEAD Lions!

TCAP Fun and Games Night, Thursday, April 23rd, 5:30-6:45pm

Come on out to learn some test taking strategies and have a whole lot of fun with our LEAD faculty. We look forward to celebrating all of our scholar's hard work preparing for TCAP testing!

Well Child Health Reports for 6th and 8th Grade Students

All 6th and 8th grade students took a universal hearing and vision test through Well Child. If your student failed either one of these tests (even if they already wear glasses) you should receive a notification from your student today. Please return the attached physical form if your child receives TENNCARE and if you would like them to receive a free physical. More physical forms and parent notifications for students who passed the hearing and vision tests will go out later this week.

Ethos Scholars of the Week!

These students were chosen by their teachers for exemplifying the LEAD Ethos!

Cydney Shaw, 5th Grade

"I've been **determined** by focusing on my work and by staying on task and listening to the teacher even when there are other distractions around."

Julian Bryant, 6th Grade

"I've been **committed** by doing my very best in class and never settling for just OK!"

Kania McCord, 7th Grade

"I've been **committed** by never giving up even when things are difficult and by doing my best in every class!"

La'Vontea Crowder, 8th Grade

"I've been **committed** by turning in my homework and completing my classwork on time to the best of my ability."
